WEST BEND DOG PARK

2012 USER FEE REGISTRATION FORM

"A USER FEE TAG IS REQUIRED TO USE THIS DOG PARK"

The K-9 Friends and the City of West Bend would like to thank you for your continued support of the City's first off leash and fenced in Dog Park. The West Bend Dog Park is located in beautiful Rolfs Park at the intersection of Vogt Drive and S. 18th Ave. The Dog Park is an incredible 10 acre fenced in parcel just waiting for you and your dog to enjoy. The park includes ample parking, doggy waste stations, waste bags, walking/hiking trails, benches, trees and a beautiful gazebo. All the park needs is you and your dog/dogs. Please remember to bring a jug of water.

The annual fee that is required for this "Privately Funded" park is only \$25.00 per household from Jan – Dec. of the current year. Upon receipt of your payment and application, a user tag will be mailed to you.

Please note: along with the required user tag, a dog license is required for the city/county of which you reside. Keeping your dog up-to-date with their vaccinations, especially Bordetella/KK will help stop transmittable viruses when they are enjoying doggy daycares, being boarded or visiting dog parks.

NO AGGRESSIVE BEHAVIOR WILL BE TOLERATED! Remove your dog immediately if such a situation occurs. Contact an Obedience School to socialize your dog, if needed, prior to entering the Dog Park.

If you live within The City of West Bend, please have your check made out to and mail to The City of West, 1115 S. Main St, West Bend, WI 53095. Please write DOG PARK 2012 in the memo line of your check.

If you live outside of The City of West Bend, please have your check made out to and mail to The K-9 Friends of West Bend, 713 Riverview Dr. West Bend, WI 53095 Attn: Pam Kidney Treasurer.

NAME: _____ E-MAIL _____
